Live the low-maintenance lifestyle that so many people crave with this comfortable two-bedroom, two-bathroom cottage. The single-story layout has been expertly designed to offer spacious and open-concept living that connects effortlessly to the front porch. Imagine relaxing on the patio and starting your day with a morning coffee or hosting guests and watching the world go by. The kitchen is set in the heart of the home and is ready for those who love to cook with a large center island and the option to upgrade the appliances and add additional cabinets. Both bedrooms are a good size including the master with a walk-in closet and a master bath with a double vanity. Bedroom two could be adapted into a study or even a covered patio while a one-car or two-car garage can be added depending on your needs. A Traditional or Tuscan elevation adds the finishing touch to this delightful home. 1,248sqft living space
